

YEAR 1 EVENTS

SPRING TERM 2026

Below outlines some of the key events we have planned for Year 1 during the spring term 2026. The grid is broken down showing dates, the event and a brief description of what the event is about. **If you haven't already made a payment for the science workshop and the chicks, they can be made via Arbor.**

We understand that you may not be able to attend all parent/carer events, but by providing this key information now, we hope it will help you plan ahead of the events you are invited to. **More information about these events will be shared with you nearer the time.**

Thank you for your continued support.
