

Friday, 10 July 2020

Dear Parents and Carers,

We have had a funny old year, it started off in our usual exciting way but has ended with us trying to do the best we can. Many of the exciting trips and learning we had planned have had to be shelved but I hope you have been inspired by the learning and activities that have been sent home to try to help support you with your children at home. We all know what a fantastic role you have played, with many of you having to juggle working at home or the work place as well as looking after other members of your family too. However I think we have worked together brilliantly to provide the best we could for everyone, children, families and staff during these changing times in forging our way through the Coronavirus Pandemic that has had such an impact on us all.

Our usual Summer events have been put very much on hold, no Phonics Screening, no SAT's, no Sports Days etc. but the staff have tried to make learning as fun as possible. Our number one concern has been for the children and their well-being. The children who have returned have done so in a very sensible manner and this is down to your support for us and trust in what we are doing to make everything as safe as possible, I really do thank each of you for this. I also must thank the staff, all of them have done a fantastic job in trying to keep things as normal as possible whilst adhering to the strict guidance we have implemented and followed, I am very proud of the way they have all stepped up to the pressures placed upon them.

We have planned for our return in September and we have contingency plans in place for any eventuality. We will be in touch towards the end of August to confirm our arrangements for the children returning.

I would like to wish you a fantastic Summer break filled I am sure, with quality time together as families. Fingers crossed the sun will shine for us over the next few weeks. Please keep yourselves safe and well and we look forward to seeing you all again in September.

Wishing you all the very best.

Lisa Clark  
Headteacher
