

# I'm going back to school

My school has been closed because of  
Coronavirus.  
But now it's safe to go back to school.

Some things will look a bit different but I can feel happy that Miss Carter and Miss Clark will be teaching me and I will get to see my friends.

It is okay to feel sad or worried about going back to school. If I do feel sad or worried, I can talk to Miss Carter or Miss Clark.

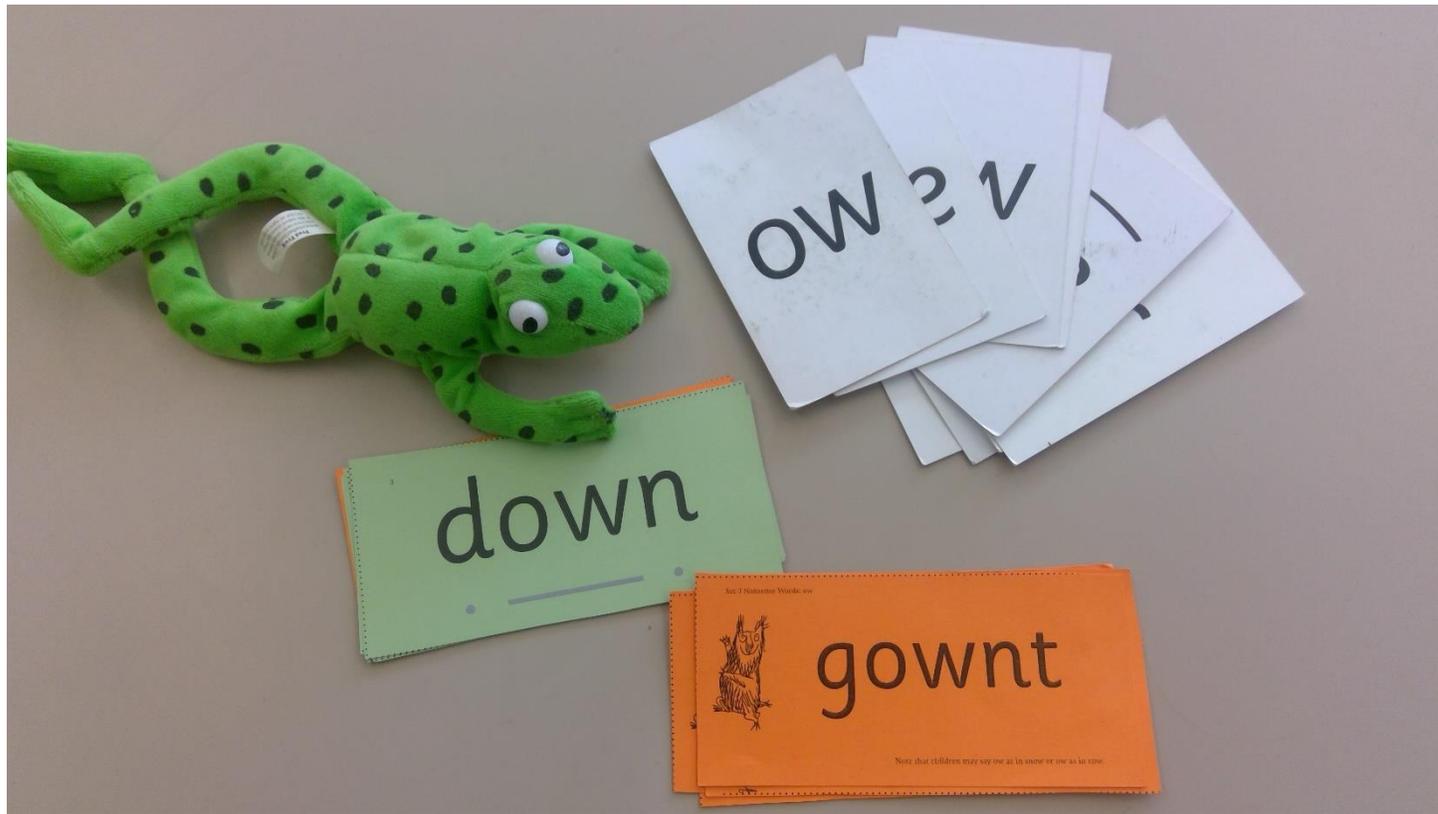

When I come to school in the morning, I will follow the yellow arrows to meet Miss Carter at this gate and she will take me to class.

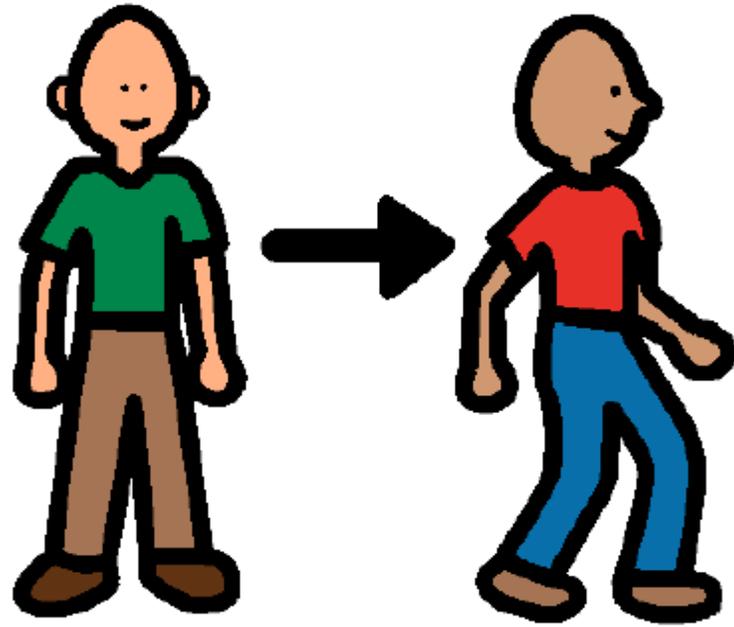

Duck class will look a little bit different to how it did before.

Drake has had to go on his Summer Holiday early this year, but he has promised to send a postcard.

Some of our lessons will be different from before. I will stay in Duck class for all my learning. Miss Carter will be my RWInc teacher.

I will need to try and keep my distance from other people.  
Only a maximum of 4 children will sit at each table.

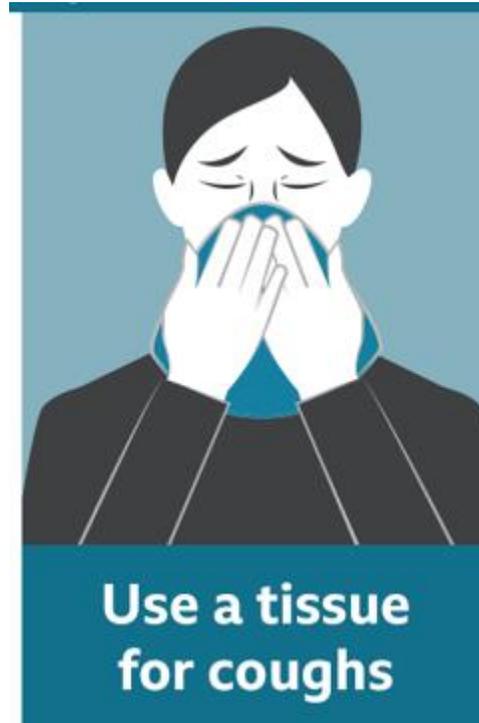

I will have my own pens and pencils to use. I will keep them in a plastic wallet. I am the only one who can use them.

I will still be able to play on the playground.

I will wash my hands when I come into school, before I eat, before I go for lunch, when I come back from lunch, whenever I come in from outside and before I go home.

If I have a sneeze or cough I must use a tissue and throw it in the bin.

I will have my lunch in the hall with the other children in my group.

Miss Carter and Miss Clark will stay with us all day.

At the end of the day Miss Carter will take me to my grown-up who will be waiting for me by the gate where I came in.

I can feel happy about going back to school.
