

Dear Reception,

I hope you have enjoyed learning about the story The Naughty Bus. Did your Naughty Bus get up to anything mischievous? Next week we will be continuing our learning from the Naughty Bus. In English you will be writing your own Naughty Bus story, maybe you could ask a grown-up to record you reading out your story on Tapestry or Twitter, we would love to hear them!

In Maths this week we are learning to represent numbers to 20 in different ways as well as partition numbers into tens and ones. Watch my YouTube video to find out how to do this:

<https://www.youtube.com/watch?v=BNFoXoJw9Qs>

Over the year we have learnt about different ways to keep ourselves healthy. Can you remember all of them? Design a poster to tell people how to stay healthy.

Please continue with your RWInc lessons from home using the Ruth Miskin YouTube channel. The document attached lets you know which video's to watch.

If your child is continuing to learn from home we will be sending out the next pack on Friday. The tasks are dated so that you know which week the learning links to, the activities will also link to the home learning challenges sent out on ParentMail.

If your child is attending school or returning to school, we will send them home with learning tasks for the three days that they are learning from home. These will also link to the home learning challenges.

We look forward to finding out all the fun things you have been up to.

Mrs Bryant
