

Hamstel Nursery Newsletter

Week Beginning Monday 26th November 2018

Well, Christmas has certainly arrived in Nursery and the children have been very busy learning all their new songs for the Nursery Nativity as well as practising the performance. I must say it is going wonderfully, the children have been amazing, they are really using their listening skills and following instructions superbly. It is still early days with the singing; the children are working hard trying to learn all the words. If they could practise at home that would be very helpful.

The children enjoyed some Christmas creative activities last week, they made and decorated beautiful advent stars and these will be coming home in the next couple of weeks. They have also been busy writing their own name on their Christmas stocking. Keep an eye out in the corridor for these as they will soon be on display.

This week the children will be continuing to decorate the Christmas jars to sell at the Christmas Fair, they have their stockings and Christmas cards to complete and they will be beginning to decorate their calendar. The children have been working really hard with all of this and let's not forget we will be having more Nativity practises, including a couple of dress rehearsals.

You should all have received your letter regarding tickets for the Nursery nativity. If you have not received this, please speak to a member of Nursery staff or myself (Miss Robinson) as soon as possible so that I can arrange tickets for you. Please note, you are more than welcome to bring younger siblings to the production.

This week we will be practising 'Jingle Bells', 'We wish you a Merry Christmas' and 'Away in a manger' so I anticipate you all hearing these songs frequently at home from now on. I apologise in advance for this ☺

Parents/Carers

A reminder that it is the Christmas Fair Tuesday 27th November 3pm to 5pm, the Nursery will have a stall selling the wonderful Christmas jars they have been busy decorating. Please come and show your support, it is a wonderful Christmassy evening, with lots to see and do.

What you can do at home with your child:

- Practise the Christmas songs 'Jingle Bells', 'Away in a manger' and 'We wish you a Merry Christmas' in preparation for our Nursery Nativity.
- Help your child to develop independence when putting on their coat. Can they put their arms in their coats by themselves, without any help? If you help them to insert their zip, can they then pull the zip up by themselves?
