

Tuesday 9th September 2025

Dear Parents/Carers,

Our Year 1 theme this half term is **Out and About**. As part of our geography learning about the local area we will be going on a walk around the surrounding area of the school. The purpose of this walk is to identify some human and physical features and spot different types of homes and buildings in our local area. The children will also develop a sense of a route to apply to some simple map work back in the classroom.

The walk will be approximately 45 minutes long and the children will be given a high-viz to wear whilst we are out.

The children will go for their walk on the following dates and times:

Class	Date	Time
Duck	Tuesday 16 th September	9.15am -10.00am
Dragonfly	Tuesday 16 th September	9.30am -10.15am
Heron	Wednesday 17 th September	9.15am –10.00am
Newt	Wednesday 17 th September	9.30am-10.15am

If you would like to help your child's class on the day of their walk please speak to your child's class teacher and they will let you know if your help is required. If you are asked to help we will ask you to sign in at the office and ensure that you have read and signed our guide to volunteering. This ensures that everyone is safe when out of school.

We look forward to taking the children out to support their geography learning.

Thank you for your continued support,

Mrs Vicki Tracy
Vice Principal
