

Year 1 Challenges

Here are some challenges to try at home, they are linked to our Science.

- Draw picture, paint or make an animal from the different animal groups; mammal, amphibian, bird, reptile, fish, insect
- Write a description of your favourite animal. Can you name what animal group it belongs to?
- Plant a seed in a pot and watch it grow. What does the seed need to help it grow? How tall will it be? Can you measure its height?
- Make a bird feeder and count the number of different birds that come and eat from it.
- Create your own story using your favourite animals. You could write it or act out your story using toys, puppets or masks.
