

Dear Year 2,

I hope you have been enjoying some of the Year 2 home learning tasks so far. This week the home learning tasks are all about writing instructions, finding out about a famous artist called Henri Rousseau and getting creative using his artwork as inspiration. I have included lots of links with your tasks to lessons and mini videos to help you.

Your Maths tasks are all about Multiplication and Division, revising the work we have already done at school.

Here is a link for parents if you need any extra ideas to support your child:

<https://home.oxfordowl.co.uk/maths/primary-multiplication-division/multiplication-division-year-2-age-6-7/>

[Multiplication & division in Year 2 \(age 6–7\) | Oxford Owl](https://home.oxfordowl.co.uk/maths/primary-multiplication-division/multiplication-division-year-2-age-6-7/)

Activity: Times tables wall charts

home.oxfordowl.co.uk

Tasks will continue to be set on Purple Mash and My Maths for you to do, so don't forget to log in. Your teachers will be having a look to see how you are doing. Don't forget you can share any learning on Twitter @Hamstel_inf so we can see any of your lovely work.

Take care and keep safe.

Mrs Tracy
