

Our learning this week...

This week we are looking at Mini-beasts. We have been reading at the book *The Very Hungry Caterpillar* and learning about the life cycle of a butterfly. During outdoor learning this week we have taken part in a mini-beast hunt, trying to find as many mini-beasts as we can!

Literacy

Red Words:

away down

In literacy this week we have been learning to label the life cycle of a butterfly and make our own mini-beast books!

Maths

This week in Maths we have continued to work on addition and subtraction, ensuring that we can read number sentences accurately and use the best method to work out the answer.

Next week our topic is Wild Things. We will be looking at the book *'The Gruffalo'* in preparation for our trip. We will also be reading *'The Tiger who Came to Tea'* and writing invitations to the Royal Wedding Tea Party at the end of the week.

Issue 22

Friday, 11th May 2018

Reception Weekly Attendance

Each week the class with the best attendance receives the attendance trophy during our kite assembly.

Owl	91.7%
Peacock	92.7%
Kingfisher	94.9%
Woodpecker	92.7%
Swan	99.0%

Well done **Swan Class**!

Wednesday 16th May: Kingfisher Class Assembly at 2.45pm

Thursday 17th May: Owl Class Assembly at 2.45pm

Helping your child at home

Can you find any mini-beasts in your garden or at the park? Maybe you could take a photo of them or draw a picture?

Can you write your own number sentence? Ask a grown-up to work out the answer.

Please share any home learning on Tapestry or bring it into school to share with the class.
