Instructions:

- First** wake up and quickly put on your warm clothes.
- Next** walk downstairs carefully and eat your breakfast.
- After** make your yummy lunch for school.
- After that** brush your teeth and wash your face.
- Finally** give mummy a kiss and cuddle before I leave for school

That's one small step for man, one giant leap for mankind

History.
This is Neil Armstrong he is a astronaut-He was the first man on the moon. He landed on the moon on the 21st July 1969.
His famous for saying: That's one small step for man, one giant leap for mankind.

I am learning to answer questions about a significant person in the past.
Research the questions and see if you can find some extra facts during your research.
Display your facts on this sheet. You can choose to do it as a poster or just fill in:

- Who is this man?
- Where is he from?
- What was his job?
- What is he famous for?

Ohio, United States of America

First Man to walk on the moon

He walked the distance of about 60 meters on the surface of the moon

Neil Armstrong

Astronaut
Neil Armstrong was also a military pilot

Neil Armstrong was 38 when he walked on the moon

Can you make 10

Have a look at the grid and circle the numbers that add upto 10.

8	2	5	3	2	8	7	3	4	6
9	4	6	1	9	3	5	6	1	4
5	5	7	1	7	4	6	8	2	6
6	2	9	3	5	7	3	9	6	
1	8	4	1	2	1	4	5	3	2
9	2	4	4	5	8	3	9	2	1
2	3	2	5	1	2	3	5	1	3
5	6	3	2	5	2	3	5	4	5
2	2	5	6	1	9	2	3	8	3
2	5	3	6	9	1	8	1	4	5

How to Wash Your Hands

Dear diary
last week I went to the moon. I had a picnic with my friend out. We had lots of fun. We ate crisps, jelly and pumpkin! I felt sad when we had to leave but I had to have my bath. Next time I go in my rocket, I am going to fly to Mars. I will write again soon,
Love Bear xxx

16 buttons
2 pins
16 - 2 = 14

12 animals
9 horses
12 - 9 = 3 sheep

14 - 6 = 8
14 - 9 = 5

119 - 4 = 115

Dear Diary
This evening I had the most epic adventure with Ted and our new parrot.
We all flew too the big blue moon in a cardboard rocket stuck together with tape and glue.
We ate our grub on the moon floor never had moon cheese snacks before. Got home just in time mums said so much dirt and grime off now it's bath and bed time.
Love Ted

- 6 + 7 is equal to 11 + 2

- 15 - 6
-
- 10

How many ways can you complete the number sentence?

Remember!!
 $>$ less than
 $<$ greater than
 $=$ same as

Each player chooses one color chip.
Players take turns solving a problem and
placing a chip on the addition problem.
Try to be the first to get 4 in a row.

	$19+1$	$5+2$			
$10+1$		$17+3$	$13+4$	$1+19$	$6+4$

History

1) Who is this man?
Nell Armstrong

2) Where is he from?
Wapakoneta, Ohio, USA

3) What is his job?
Astronaut

4) What is he famous for?
He is famous for going
to the moon first!

21.1.21 History

facts

- * Neil Armstrong Loved flying He flew fighter planes for the American Navy and later tested Rocket powered planes
- * On the 21 July he became the first man to walk on the moon.
- * He later became a professor and taught other all about flying

History

Move the pictures to match the fact.

600 million people around the world watched and listened to the moon landing as it happened.

Neil Armstrong became the first man to walk on the moon on the 20th July 1969.

The missions to the moon was called Apollo 11 and the name of the rocket was Saturn V.

**Well done
Carter**

Neil Armstrong got his pilot's license at 16. He went on to become a Navy pilot.

Neil Armstrong got his pilot's license at 16. He went on to become a Navy pilot.

Thank you for
teaching me!

Well done for all your amazing work this week Ducks!

Well done Frog Class for all your hard work this week!

History

Move the pictures to match the facts.

Neil Armstrong became the first man to walk on the moon on the 20th July 1969.

600 million people across the world watched and listened to the moon landing as it happened.

The missions to the moon was called Apollo 11 and the name of the rocket was Saturn V.

Neil Armstrong, Mike Collins, Buzz Aldrin were the astronauts selected to go on the first mission to the moon.

Related facts

Look at the picture.

Complete the part-whole model and fact family.

Can you write each number sentence a different way?

$18 = 10 + 8$
 $18 = 8 + 10$

Subtraction - crossing 10 (2)

Jack has 11 apples. Mo has 5 apples.

How many more apples does Jack have than Mo? Which number sentence answers the question?

$11 - 5 = 6$

Eva has 13 sweets. Teddy has 6 sweets. How many more sweets does Eva have than Teddy?

$13 - 6 = 7$

Well done Jasper 😊

Can you help Super Soap on his mission to protect children from germs? Move the pictures in correct order to show the instructions for washing your hands.

Once you have the pictures in the correct order can you add a time adverbial to each instruction to help know the correct order. (First, Next, Then, After That, Finally, Secondly)

I am learning

Research the questions and see if you can find some extra facts during your research. Display your facts on this sheet. You can choose to do it as a poster or fact file.

- Who is this man?
- Where is he from?
- What was his job?
- What is he famous for?

Neil Armstrong

America

worct on the moon

Great research Theodore.

Neil Armstrong

Who is this man? Neil Armstrong.

Where is he from? 400 Nighted states of America.

What is his job? Astronaut.

What is he famous for? to be the 1st man on the moon.

Extra facts... his foot prints will be all the moon for billions of years because there's no wind or rain.

History 18.1.21

1. Who is this man? Neil Armstrong

2. Where is he from? America

3. What was his job? Astronaut

4. What is he famous for? Being the 1st man on the moon

Instructions:

- First wake up and quickly put on your warm clothes.
- Next walk downstairs carefully and eat your breakfast.
- After that make your yummy lunch for school.
- After that brush your teeth and wash your face.
- Finally get to school

I am learning to identify bossy verbs. Sort the words into the correct place

Bossy Verbs	Other Words
Put	shop
jump	glass
open	window
play	tired
listen	happy

Neil Armstrong

one small step for man, one giant leap for mankind!

Subtraction - break apart

Complete the part-whole models and subtractions.

a) How many children do not have hats?

$5 - 2 = 3$

b) How many ice creams have sprinkles?

$10 - 7 = 3$

My weather chart

A hand-drawn weather chart with various weather icons like sun, clouds, rain, and snow.

1. His name is Neil Armstrong

2. He is from America

I am learning to identify bossy verbs.
Sort the words into the correct place

Bossy Verbs	Other Words
put	shop
jump	glass
open	window
play	tired
listen	happy

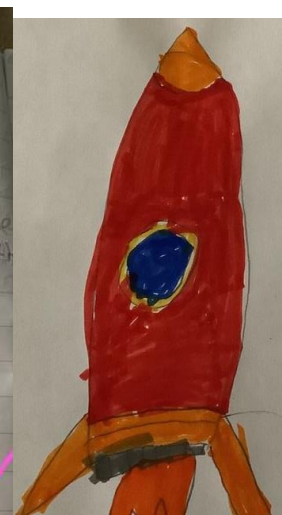

3. He is an astronaut

4. Going to space to see the moon

His name is Neil Armstrong.
He is famous for being the first person to walk on the moon.
He is an astronaut.
He is from Ohio USA.

Maths

1. Greater than

2. less than $5 < 8$

3. Number less than 4: 3, 2, 1, 0

4. $8 < 9$

1. $9 + 3 = 12$

2. $6 + 7 = 13$

3. $11 + 2 = 13$

4. $9 + 3$ is less than $6 + 7$

5. $11 + 2$ is greater than $9 + 3$

Look at all your amazing work Heron Class!

First get out of bed.
Then quickly put your clock on.
Next eat your healthy breakfast.
After that brush your teeth.
Finally go to school.

1. Draw counters on each addition.

a) $9 + 3$ b) $6 + 7$

d) Write the missing phrase.

less than greater than equal to

12 $9 + 3$ is less than $6 + 7$ 13

13 $11 + 2$ is greater than $9 + 3$ 12

13 $6 + 7$ is equal to $11 + 2$ 13

2. Cross out counters to show each subtraction.

14 - 5 = 9

15 - 6 = 9

Write the missing phrase.

less than greater than equal to

14 - 5 = 9

15 - 6 = 9

1. Write $<$, $>$ or $=$ to compare the number sentences.

a) $12 + 3$ $>$ $12 - 3$ c) $13 + 6$ $=$ $6 + 13$

b) $17 - 4$ $>$ $17 - 6$ d) $14 - 6$ $>$ $1 + 0$

Did you have to work them all out?

4. Complete the number sentence.

$10 + 5 = 20 - 5$

How many ways can you complete the number sentence?

6 + 7 = 13

11 + 2 = 13

Keep up the fantastic work!

Neil Armstrong became the first man to walk on the moon on the 20th July 1969.

Neil Armstrong got his pilot's license at 16. He went on to become a Navy pilot.

400 million people around the world watched and listened to the moon landing as it happened.

The missions to the moon were called Apollo 11 and the name of the rocket was Saturn V.

Neil Armstrong, Mike Collins and Buzz Aldrin were the astronauts selected to go on the first mission to the moon.
