

This week..

We have been working hard on writing our own creative stories with an 'under the sea' theme. We have been working hard on the opening and build-up of our stories to 'hook' the reader in. We have thought about using story language and lots of descriptive words.

In Maths, Year 2 have been thinking about position and direction of shapes and rotating them into different positions. We had to follow the instructions very carefully.

ATTENDANCE

A big **WELL DONE** to Otter class this week for winning the attendance cup!

The attendance percentages for this week are as follows:

Otter: 99.1% **Squirrel:** 95.4%

Badger: 91.7% **Hedgehog:** 96.7%

Fox: 89.5%

Parent Lunches

Thank you to all the parents, carers and grandparents who came and had lunch with the year 2 children this week. The children were very excited that you were able to join them and their classmates. We hope you enjoyed it as much as the children did 😊

Next Week.....

We will be continuing with our transition journey into the juniors. The children will be taken over to the junior building to participate in their 'treasure hunts'. So don't forget to talk to them about their time there.

SWIMMING CHANGES!

Swimming will be on the normal day next week:

Monday	Otters
Tuesday	Badger
Wednesday	Squirrel
Thursday	Fox
Friday	Hedgehog

PE KITS

Please could we ask that all children have named PE kits in school as we do not have enough spare kit to go around.
