

Summer Term Picnics

Please see the details of your child's class picnic below.

Monday 13th July

AM – Reception - Amber group

Tuesday 14th July

PM – Year 2 - Amber group

Wednesday 15th July

PM – Year 1 - Amber group

Thursday 16th July

AM – Reception - Blue Group

PM – Year 2 - Blue group

Friday 17th July

PM Year 1 - Blue group

Book Bags/PE Bags

When children return to school in September they will not need a book bag or PE bag.

All books/stationery will be kept in a wallet supplied by school, which is easily kept clean.

All children will be asked to come to school in PE kit on their allocated PE days, avoiding the need for a change of clothes.

Attendance

If your child has returned to school please remember to contact the school office if your child will not be attending due to illness/other reason on the days they are expected in. Thank you.

Parent/Carer Contact Details

If any of your contact details change i.e address, telephone number or email please make sure to let the school office know. We can then update our records.

It is lovely having children back in school, the numbers returning to their Amber and Blue Groups are increasing everyday and we want to assure you that here at school we are continuing to follow our re-opening plan which includes: social distancing being reminded and reinforced for both staff and children, the increased cleaning regimes, children not sharing equipment and taking care to maintain their space and distance wherever possible. We rely on you also following the Government guidelines and reinforcing this with your child during social situations and time outside school. It is really important that we are all doing our best to follow the Government advice, for the safety and well-being of all the children, families and staff.

Mrs Clark would like to say thank you, the children who are attending are being really super about walking their scooters & bikes when on site ☺

Sneak peek at our week

Year N - Nursery

This week, we have read 'The Very Hungry Caterpillar' and 'The Crunching Munching Caterpillar'. The children have had lots of fun with finger painting caterpillars, putting the stories into the correct sequence and collaging a very big caterpillar!

In Maths this week the children have been continuing to learn numbers 1-10 by playing Bingo.

In our Letters and Sounds activity the children have enjoyed a game called 'Cross the River'. The children had to listen for the initial sounds of words, if they could correctly say the initial sound they could jump across the river.

This week we have learnt the sounds: 'n' and 'p'. The children will be taking home a few Read, Write, Inc sheets for them to practice writing the sounds.

Year R - Reception

This week has been very exciting for Reception. We had so much fun dressing up as our favourite Superheroes and discussing our different super powers. We made lots of Superhero art work including puppets and midnigh scenes for our superheroes to play in. In Maths this week we have been learning to double numbers using numicon. We have also been sorting between doubled and non doubled quantities.

We have been practicing the One Armed Robot Letters in our handwriting lessons and learning the air and ir sounds in RWInc.

Year 1

In Year 1 this week we have finished making some fantastic leaflets about the seasons. The children have explained and described the changes that happen during the different season in the year. We have had lots of fun in Maths this week learning about positional language. We have been doing some practical activities to describe the position of objects and have been guiding each other around by giving instructions for example; forward, backward, quarter turn and half turn. The children have been very creative with making puppets. We have had so many amazing designs! The children have been so excited to take them home and show them off.

Year 1 - PE Days

	Amber Groups	Blue Groups
Dragonfly	Tuesday	Tuesday
Newt	Wednesday	Friday
Heron	Tuesday	Thursday
Duck	Wednesday	Friday
Frog	Tuesday	Thursday

Year 2

It's been lovely to welcome some more smiley faces into the Year 2 classrooms this week. The children have continued to work hard and have been thinking about writing instructions using the vocabulary needed to write the sequenced steps. The children have also really enjoyed designing and making Super Hero masks for their own characters to help promote a healthy lifestyle. The children have then written their own instructions of how make their masks. In Maths we have been thinking about statistics and collecting data of the children's favourite vegetables and answering questions about given tally charts and pictograms. We have also learnt about balanced diets and healthy food. The children have created their own healthy meals.

Year 2 - PE Days

	Amber Groups	Blue Groups
Badger	Monday	Wednesday
Fox	Tuesday	Thursday
Hedgehog	Monday	Wednesday
Otter	Tuesday	Thursday
Squirrel	Monday	Wednesday
